Re: Notice of Proposed Decision - Minor Title V Permit Modification - Permit Number: F-00254-4

Dear Mr. Rios:

Enclosed for your review and comment is the District's proposed revised Title V operating permit and engineering evaluation for Leer West, Inc., at 1686 East Beamer St. in Woodland, California. This notification is given in accordance with District Rule 3.8, Section 409.2 for a minor Title V permit modification.

The proposed revision is necessary due to applications for Authority to Construct (ATC) C-09-143 and C-09-144 for modification to amend the process description for the coating operations. Enclosed is a copy of the District proposed ATC. Upon request, a copy of the District's engineering evaluation is available for your review.

ATC applications C-09-143 and C-09-144, have been processed in accordance with the District's Enhanced New Source Review (NSR) requirements in District Rule 3.4, Section 404. Section 404.1 of District Rule 3.8, requires that upon the implementation of ATC C-09-143 and C-09-144 into Permits to Operate P-108-91(a3) and P-23-93(a2) respectively, Truck Accessories Group dba Leer West shall submit a written request for the District to amend the Title V operating permit to incorporate the proposed modifications.

If you have any questions, please contact Nancy Fletcher at (530) 757-7656.

Sincerely,

A handwritten signature in blue ink that reads "Susan K. McLaughlin".
